

# Features of Sunset-to-X Alternative

- Follows existing county trunk highways
- Takes advantage of recent widening of County X
- Indirect connection to Hwy 59
- 5-8 residential relocations on Sunset Drive
- Adds more traffic to Sunset Drive/County X intersection
- Higher cost than Pebble Creek corridor alternative
- Wetland impact 8-11 acres, and two bridges over Pebble Creek
- Possible state threatened or endangered species impacts (Butler's garter snake, Blandings turtle, long-eared sunfish)
